Alphawave IP Group plc

Announcement of Offer Price

Offer Price set at 410 pence per Share

Following the intention to float announcement on 29 April 2021, Alphawave IP today announces the successful pricing of its initial public offering (the "**Global Offer**") at 410 pence per Share (the "**Offer Price**"). Based on the Offer Price, Alphawave IP's market capitalisation (on a fully diluted basis) will be approximately £3.1 billion at the commencement of conditional dealings on the main market of the London Stock Exchange.

John Lofton Holt, Executive Chairman of Alphawave IP, said:

"We are proud to be launching on the London Stock Exchange. London was the obvious venue for the listing of our silicon IP business because both the industry and the business model were born in the UK. We are pleased to have executed against our IPO plans successfully, ahead of schedule and supported by a strong UK investor base, alongside a distinguished list of blue-chip investors across the US, Canada and Europe. Today is just the start of our journey."

Tony Pialis, President and Chief Executive Officer of Alphawave IP, said:

"We could not have made it here today without the focus and engineering talents of our employees, who have designed cutting-edge IP that enables data to travel faster, more reliably, using lower power. We have one share class structure: the founders, our employees and our future employees – and now our investors – have a common alignment of interest. I would like to thank our Canadian team, who have played a pivotal role in creating the strong foundations for our growth; and also our customers and partners. With our London listing, new research capabilities in Cambridge and funds for investment, our ambition is to extend our global leadership in connectivity solutions."

In connection with the Global Offer, the Joint Bookrunners and any of their respective affiliates, may take up a portion of the Shares as a principal position and in that capacity may retain, purchase, sell, offer to sell or otherwise deal for their own accounts in such Shares and other securities of the Company or related investments in connection with the Global Offer or otherwise. Accordingly, references in the Prospectus, once published, to the Shares being issued, offered, subscribed, acquired, placed or otherwise dealt in should be read as including any issue or offer to, or subscription, acquisition, placing or dealing by the Joint Bookrunners and any of their respective affiliates acting in such capacity. In addition, the Joint Bookrunners and any of their respective affiliates may enter into financing arrangements (including swaps or contracts for differences) with investors in connection with which they may from time to time acquire, hold or dispose of Shares. None of the Joint Bookrunners nor any of their respective affiliates intend to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.

In connection with the Global Offer, Barclays Capital Securities Limited, as stabilisation manager (the "**Stabilisation Manager**"), or any of its agents or affiliates, may (but will be under no obligation to), to the extent permitted by applicable law, over-allot Shares or effect other transactions with a view to supporting the market price of the Shares at a level higher than that which might otherwise prevail in the open market. The Stabilisation Manager is not required to enter into such transactions and such transactions may be effected on any stock market, over-the-counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of commencement of conditional dealings of the Shares on the LSE and ending no later than 30 calendar days thereafter. However, there will be no obligation on the Stabilisation Manager or any of its agents or affiliates to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilising measures, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the Shares above the Offer Price. Save as required by law or regulation, neither the Stabilisation Manager nor any of its agents or affiliates intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the Global Offer.

In connection with the Global Offer, the Stabilisation Manager may, for stabilisation purposes, over-allot Shares up to a maximum of 15% of the total number of Shares comprised in the Global Offer. For the purposes of allowing it to cover short positions resulting from any such over-allotments and/or from sales of Shares effected by it during the stabilisation period, the Stabilisation Manager will enter into over-allotment arrangements with certain existing shareholders pursuant to which the Stabilisation Manager may purchase or procure purchasers for additional Shares up to a maximum of 15% of the total number of Shares comprised in the Global Offer (the "**Over-Allotment Shares**") at the Offer Price. The over-allotment arrangements will be exercisable in whole or in part, upon notice by the Stabilisation Manager, at any time on or before the 30th calendar day after the commencement of conditional trading of the Shares on the LSE. Any Over-Allotment Shares made available pursuant to the over-allotment arrangements, including for all dividends and other distributions declared, made or paid on the Shares, will be purchased on the same terms and conditions as the Shares being issued or sold in the Global Offer and will form a single class for all purposes with the other Shares.

Information to Distributors

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK Product Governance Requirements**”), and/or any equivalent requirements elsewhere, and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the UK Product Governance Requirements and/or any equivalent requirements elsewhere) may otherwise have with respect thereto, the Shares have been subject to a product approval process, which has determined that the Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in Chapter 3 of the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all permitted distribution channels (the “**Target Market Assessment**”). Notwithstanding the Target Market Assessment, “distributors” (for the purposes of the UK Product Governance Requirements and/or any equivalent requirements elsewhere) should note that: the price of the Shares may decline and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Global Offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, Barclays Bank PLC, J.P. Morgan Securities plc and BMO Capital Markets Limited will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action, whatsoever, with respect to the Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Shares and determining appropriate distribution channels.

For the avoidance of doubt, the contents of the Company's website are not incorporated by reference into, and do not form part of, this announcement.
